Education

Chitkara University

Bachelor of Engineering in Computer Science

– CGPA: 8.9 / 10.0

Rajpura, Punjab

Oct 2022 – May 2026

Shivalik Public School

Class XII (PCM)

– Percentage: 80%

Jaitu, Punjab

2019 – 2021

Experience

Software Developer Intern

Innova Solutions, Hyderabad

May 2025 – May 2026

- Trained in **Java**, focusing on core concepts and modern features to build efficient applications.
- Gained hands-on experience with **Spring Boot** for developing backend services and RESTful APIs.
- Worked with **Spring AI** to explore AI-powered backend features and integration within Spring Boot applications.

Projects

Learning Log System (Role-Based Tracking Platform) | Java, Spring Boot, MySQL

- Developed a role-based system with **Admin and User (Intern)** access to track daily learning activities.
- Implemented a feature allowing interns to log their daily learnings, improving accountability and progress tracking.
- Built an automated **email reminder system** that notifies users after office hours (post 6 PM) if no entry is logged.
- Designed backend services and database relationships to manage users, logs, and notifications efficiently.
- Applied RESTful API design, validation, and secure role-based access control for a scalable backend system.

GitHub Search Platform | HTML, CSS, JavaScript, GitHub API

- Developed a web app to search GitHub profiles and repositories.
- Integrated GitHub API for real-time data fetching.
- Improved UI responsiveness and user experience.

Technical Skills

Languages: Java, Python, Basic JavaScript, SQL

Frameworks: Spring Boot, Basic React

Databases: MySQL

Tools: Git, GitHub, Docker, Cursor, Copilot

Core Concepts: Data Structures & Algorithms, OOPS

Achievements

Research Paper: Phishing and Web Hacking

Co-Author

- Published research paper on phishing techniques and web vulnerabilities.
- Proposed mitigation strategies for web security.
- Presented at an IEEE conference.

Interviewer (UIP Head at Unsaid Talks/Outreach Head in Coding Ninja)

Jul 2024 – Aug 2024

Chitkara University

- Worked as **UIP Head at Unsaid Talks**, where I conducted interviews with placed senior students and shared their experiences with other students.
- Enhanced interpersonal and analytical skills through in-depth discussions and panel moderation.
- Managed outreach and moderated knowledge-sharing sessions.
- Served as Outreach Head at Coding Ninjas, increasing event participation and community engagement.
